The Red Cross collected **49** pints from **51** donors which includes 1 first time donor & 5 walk-ins! And a big thank you to Tony, Mitch, Jim, Stan, Holy Rosary & the Red Cross for their efforts in having a successful blood drive!

Our next blood drive is Monday, Oct. 14.

From Father:

This Sunday, we reflect on a powerful and familiar Gospel passage: the miracle of the multiplication of the loaves and fishes (John 6:1-15). This miraculous event offers us profound insights into God's providence, compassion, and the abundant life He desires for each of us.

In this passage, we see Jesus surrounded by a large crowd that has followed Him because of the signs He performed on the sick. As evening approaches, Jesus sees the crowd's hunger and tells His disciples to feed them. Philip points out the impossibility of buying enough bread for everyone, while Andrew mentions a boy with five barley loaves and two fish but questions their sufficiency. Jesus takes the loaves and fishes, gives thanks, and distributes them to the people. Miraculously, all are fed, and twelve baskets of leftovers are collected.

This story teaches us several important lessons:

1. **God's Compassion:** Jesus is deeply moved by the needs of the people. He sees their hunger and takes action to address it. This reflects God's immense compassion for us. He cares about every aspect of our lives and desires to provide for us in ways that go beyond our expectations.

2. **The Power of Generosity:** The boy's offering of five loaves and two fish may have seemed insignificant, but in Jesus' hands, it became the means to feed thousands. This teaches us that no act of generosity is too small. When we offer what we have, even if it seems modest, God can multiply it to bring about great blessings.

3. **Faith in God's Provision:** The disciples saw the situation as hopeless, but Jesus saw it as an opportunity for God's glory to be revealed. This challenges us to trust in God's provision, even when circumstances seem impossible. Our faith invites God to work miracles in our lives.

4. **The Abundance of God's Grace:** After everyone was fed, twelve baskets of leftovers remained. This abundance symbolizes the overflowing grace that God pours into our lives. He doesn't just meet our needs; He exceeds them, providing more than we can ask or imagine.

In our own lives, we often face situations that seem insurmountable. We may feel inadequate, like we have too little to offer. Yet, today's Gospel reminds us that when we place our trust in Jesus and offer Him what we have, He can work wonders. Our small acts of faith and generosity can be transformed by His power to bring about great blessings for ourselves and others.

As we gather to celebrate the Eucharist this Sunday, let us remember that Jesus continues to feed us with His Body and Blood, providing for our deepest spiritual needs. Let us approach Him with faith, trust, and an open heart, ready to receive the abundant life He offers.

May this Gospel inspire us to live with greater compassion, generosity, and faith in God's provision. Let us be confident that in His hands, our humble offerings can become instruments of His miraculous work.

**Oremus pro invicem,
Fr. O'Donald**
